# Sidcup 10 Mile Road Race

Words – Dave Beattie

The 2015 edition of this traditional club race, organised by Kent AC, hosted our SCVAC and the BMAF Championships. This yielded a top quality Masters field, with BMAF athletes filling 9 of the top 10 places in the open race. A duplicated runner in the results caused some delays to the presentation, which Peter Kennedy skilfully resolved for us: thanks for your patience.

SCVAC runners recorded some good times, although the course is not flat.

These SCVAC gold medal performances merit special mention:

F45 Tina Oldershaw (Paddock Wood) 63.32, F40 Astrid McKeown (North Herts) 65.57, M45 Graham Godden (Brighton & Hove) 55.54, M50 Mark Halls (Brighton & Hove) 61.04, M55 Kevin Williams (Ashford) 62.39.

**Here is the link to the full SCVAC results:**

<http://www.scvac.org.uk/SCVAC%20Sidcup%2010%20Results%202015.pdf>

(Or go to SCVAC home page and navigate to Results)

Congratulations to all members who achieved good performances - a good turnout of 10 women and 20 men, including 7 in the M50 category.

## **Members' Feedback:**

Peter Godbee:

I came 3rd over 60 so I was very pleased with my time! Have not run that well for a couple of years! The race it was not too dear to enter and is local for me so I picked it even though it is not the most scenic route to run!

The 6 mile marker was at 5.5 miles – runners have commented on this in previous years. Constructive suggestions: improve signs to race, toilets, and late entries, and provide a marshal for car parking (the car park became blocked at one point).

Terry Knightley:

Really Enjoyable and Great Race, however thought it might have been chip timed for this size of race and ease of getting results. One of the highest quality Veteran fields I have been in for years! Well organised, great marshalling and excellent facilities at the school.

Fantastic moment for me and I guess a lot of colleagues was seeing the two 'Over 80 Veterans' arguing over who had won the gold medal at the presentation! Priceless moment and goes to show what importance the medals and titles have and why we are all doing this!

*(Ed's note: Dave assures me the medals were amicably sorted out in the end!)*

Thanks to Peter and Terry for their feedback – your comments on our races are always welcomed, especially while the memory of the event is fresh.
